TECHNICAL RIDER:

Laurent Wery uses Serato Scratch Live for his dj performance, a laptop based digital dj system. Serato Scratch Live is 'DMC approved' and does **NOT** use any automated mixing technology. The advantage of this system is that it's compatible with almost every pro music installation.

Laurent Wery prefers a clean working enviroment.

MINIMUM REQUIREMENTS:

2x Pioneer CD players

Preferred cd players are: Pioneer CDJ-2000.

1x Pro DJ Mixer with 3 band eq control, pre fade listening on every channel, monitor and mainroom control
